Doug Tarry Homes Builds With Experience

Award-Winning Developer Offers Dream Homes in Strathroy

As a local home builder serving St. Thomas and area since 1954, Doug Tarry Homes is committed to designing and building with superior quality and craftsmanship. The Doug Tarry team is now bringing 64 years of experience and dedication to high quality, family-oriented homes to Strathroy with the new Amber Meadows community.

Doug Tarry's clients have the opportunity to start from square one and build their dream home with a team of designers to guide them every step of the way. Their advisers recognize the importance of personalizing a new home, and provide a complete range of in-house design services including structural and decor design. Clients can choose from a number of floor plans and work with structural advisers to move walls, add features, and redesign the floor plan until it works perfectly with their lifestyle. Homeowners then work with a design and decor consultant to make decisions about the finishing touches, inside and out – everything from paint colours and flooring, to fixtures and brick. Doug Tarry's experts build and personalize each

home to be a welcoming and relaxing retreat for busy people.

Amanda Joiner is the new New Homes Sales Consultant eager to meet with home buyers in the Amber Meadows community. This new subdivision is located just off of Second Street in the north end of Strathroy, where residents enjoy close proximity to amenities such as the Gemini Sportsplex, elementary schools and high schools serving both the public and Catholic school boards, and walking trails that connect the neighbourhood to downtown. Amber Meadows is also just minutes from Highway 402, providing easy access to London, Sarnia, and all points in between. Amanda looks forward to meeting home buyers in Strathroy and helping them design their dream home in a dream location. Meet Amanda at the Amber Meadows model home Wednesday through Friday from 11am to 5pm, Saturday to Sunday from 12noon to 4pm, or Monday and Tuesday by appointment. Call Amanda at 519.266.4561 or send an email to amanda@dougtarryhomes.com to begin designing your dream home today.
