AeroBarrier Senior Application Technician

www.dougarryhomes.com/career

Abode Home Comfort is looking for an AeroBarrier Senior Application Technician

Reporting to the General Manager, this position will be responsible for overseeing the installation of AeroBarrier sealant.

The AeroBarrier Senior Technician will set expectations within the team to drive quality performance through excellence in customer service.

The following skills are needed:

- Ability to learn AeroBarrier point and click software
- Excellent communication and collaboration skills
- Ability to diagnose electrical, mechanical, general equipment and structure envelope faults
- Provide technical direction and on-the-job training
- Strong attention to detail, with a strong commitment to meet and complete tasks according to deadlines

Abode Home Comfort Ltd offers:

- Competitive pay
- Company paid benefits
- Paid sick days and personal days
- Boot allowance
- Tool allowance
- Bonus plan

If this sounds like you, we invite you to submit an application to our organization by emailing Heather Fletcher at hfletcher@dougarryhomes.com. At Abode Home Comfort Ltd, we are a team, we hold each other accountable to our values. We are a forward-thinking organization that is rapidly advancing in a high-performance sustainability sector and need like minded individuals to work with our stellar team!

We thank all applicants for their interest, however only those candidates selected for interviews will be contacted.
