

Now hiring. AC Mechanic

www.dougarryhomes.com/career

We are looking to hire an AC Mechanic with Residential New Construction Experience.

- Reporting to the HVAC Supervisor, duties will include installing, maintaining and repairing heating, ventilation, air-conditioning and refrigeration systems.
- The successful applicant will also hold a 313A or 313D license and an ODP (Ozone Depletion Prevention) certificate. A gas fitter 2 (G2) license is an asset but is not necessary.

The following skills are needed:

- Good hand-eye coordination with troubleshooting skills for heating and cooling systems
- Good mechanical skills to operate and maintain equipment
- Ability to successfully collaborate with others

Abode Home Comfort Ltd offers:

- Competitive pay
- Paid sick days and personal days
- Tool allowance
- Company paid benefits
- Boot allowance
- Bonus plan

If this sounds like you, we invite you to submit an application to our organization by emailing Heather Fletcher at hfletcher@dougarryhomes.com. At Abode Home Comfort Ltd, we are a team, we hold each other accountable to our values. We are a forward-thinking organization that is rapidly advancing in a high-performance sustainability sector and need like minded individuals to work with our stellar team!

We thank all applicants for their interest, however only those candidates selected for interviews will be contacted.
