

Now hiring. Estimator

www.dougarryhomes.com/career

With over 65 years of home building excellence, we are hiring an Estimator

- Reporting to the Vice President of Operations, the Estimator will assist in estimating contracts regarding supply of quotations for pricing requests from Management, Sales, Project Coordinators and Décor. They will complete house budget material and take offs.

The following skills are needed:

- 5-10 years of experience within the home building sector
- Ability to interpret plans, take offs, details, translate drawings to site applications and components required to build an option out
- Experience integrating software programs into the daily function of home building
- Clear & concise communication skills, with excellent computer skills
- Strong commitment to meet and complete tasks in a timely manner
- Will work with all departments to continually value engineer process and construction methods, and design to import overall product value

If this sounds like you, we invite you to submit an application to our organization by emailing **HR@dougarryhomes.com**. At Doug Tarry Limited, we are a team, we hold each other accountable to our values. We are a forward-thinking organization that is rapidly advancing in the high-performance sustainability sector and need like minded individuals to work with our stellar team!

We thank all applicants for their interest, however only those candidates selected for interviews will be contacted.
